SENIORS

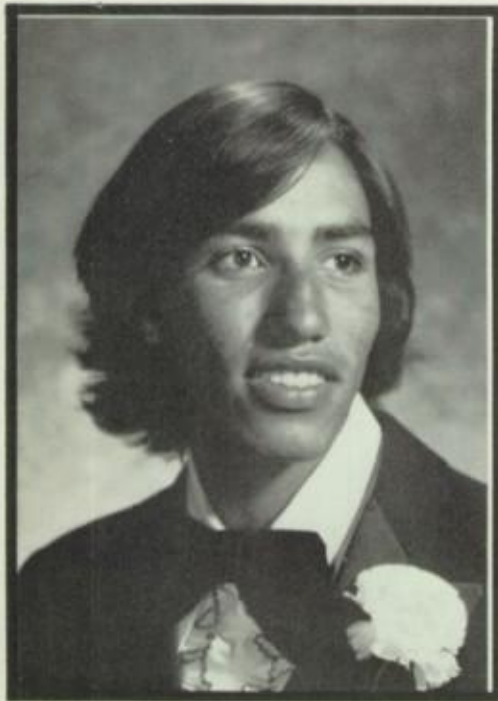

We are the children of the world who are out to become the people of tomorrow. Our future is determined by our individual will to create.

Four years ago we floated into San Jose High with our minds still inflated with childhood dreams. Dreams so simple, carefree and worryless.

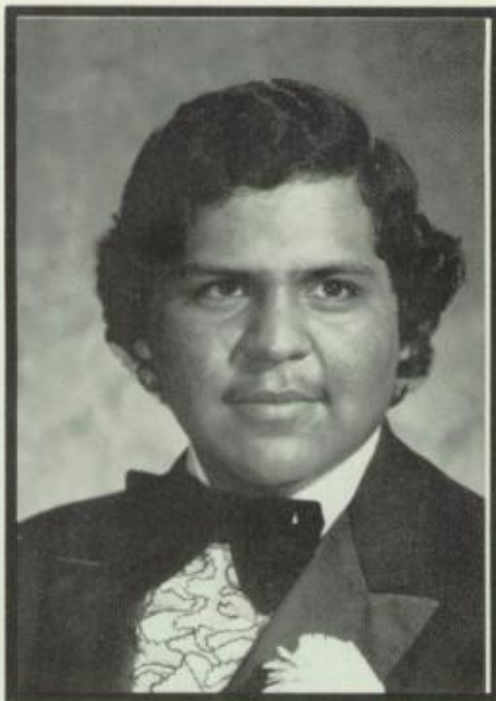

We came to the school day after day, not only to increase scholastic knowledge, but also increase the knowledge of how to create unity within ourselves and our fellow schoolmates.

The events of unity included the club sponsored activities, dances: Sadie's Big Bone, Jr. and Senior Proms, the rallies with the class competitions, and the athletic competitions which taught us more than the simple meaning of competition. We will be competing the rest of our lives not only in an athletic game, but in the game called Life.

DANCING, SADIE'S STYLE

The spirit of Sadie's lived on as this dance proved to be one of the best dances of the year. Set in the theme of Halloween, many of our hillbilly friends had a cornpipe smoking, moonshine drinking good-ole time.

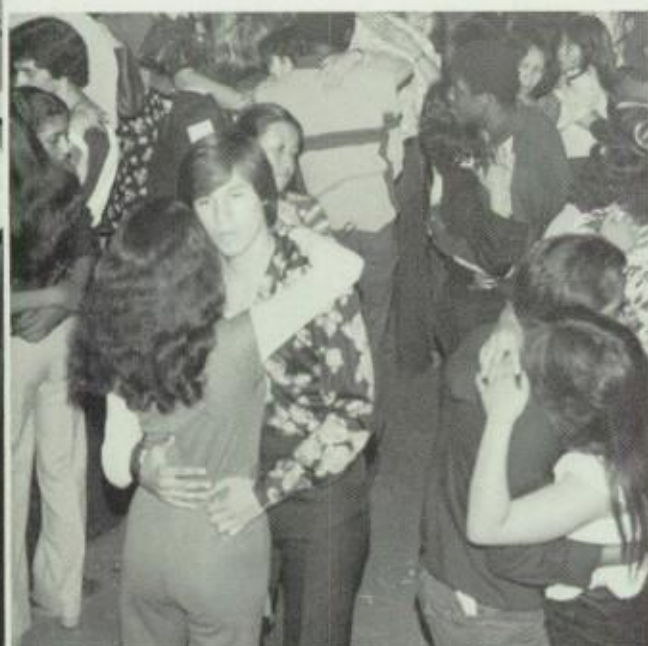

Many of our kinfolk got hitched by our very own Marrin-Frank, but half the blast was the honeymoon that followed. This year cousin Rabbi and cousin Angie-Lou won the dress-up contest.

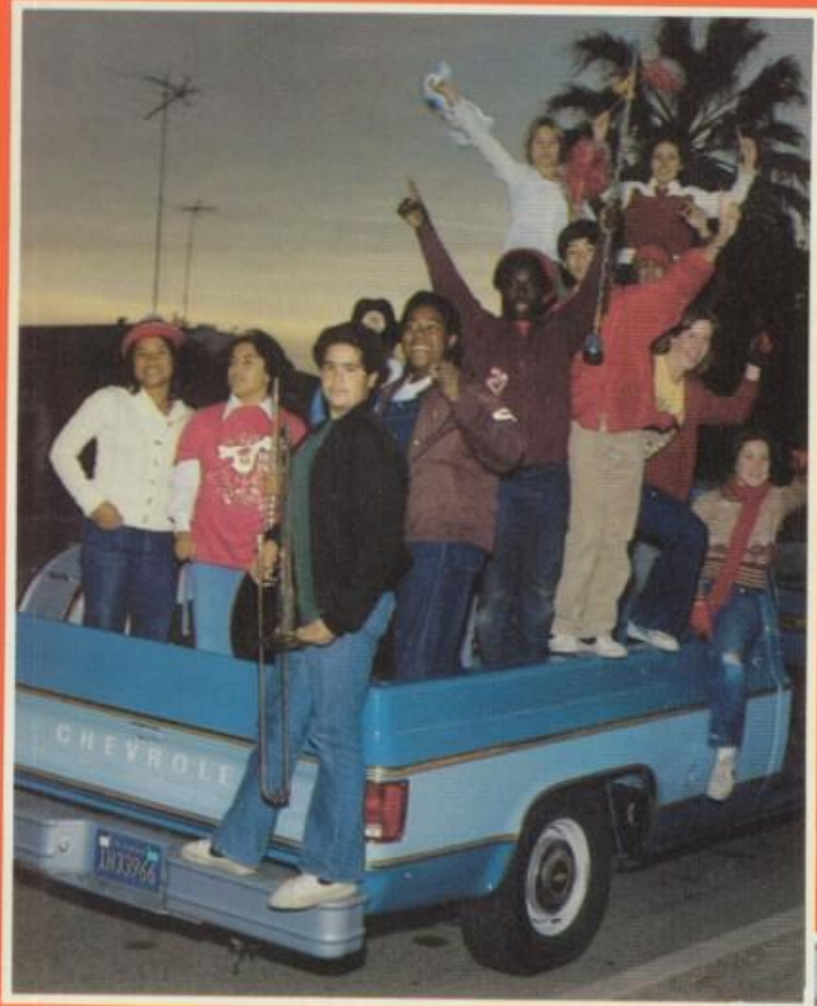

As usual this year's Sadie Hawkins was definitely an EXCALIBUR PRODUCTION.

MR. BASIL HUFFMAN

Principal

"Like yourself. Know that you are worthy, capable and important!"

Principal's Message

To the Class of 1978

Many of you were concerned about our low 12th grade test scores this year. I would like to offer each of you a challenge. You are as smart as anyone anyplace else. Test scores indicate skills in reading and comprehension.

Teaching is what the teacher does, learning is what *you* do. You must not look for excuses or blame others, or your environment for your failure to learn. Sweat is better than tears. Courage is better than complaints. *Success is Better than sympathy.* Nobody can save us from us but us.

After losing their first league game the team bounced back to win the next 9 straight games. Also turning in outstanding performances were Scott Santo, Florian Temengiel, and Norman Kaneshiro.

VARSITY FOOTBALL

COACHES — R. Bueno, M. Zaccheo, L. Kerr.

We found out early in the season that we would have to go against our philosophy about playing an athlete both ways (offense and defense). The lack of experience coupled with several key injuries proved costly in several games. Our often outmanned players just couldn't continue the intensity and pressure for four quarters, giving up 100 points and only scoring 14 in the final 12 minute period.

There are 22 returnees expected back from this year's team and at least that many will be coming up from the Frosh-Soph, which finished 3-3-1 in league and 3-6-1 overall.

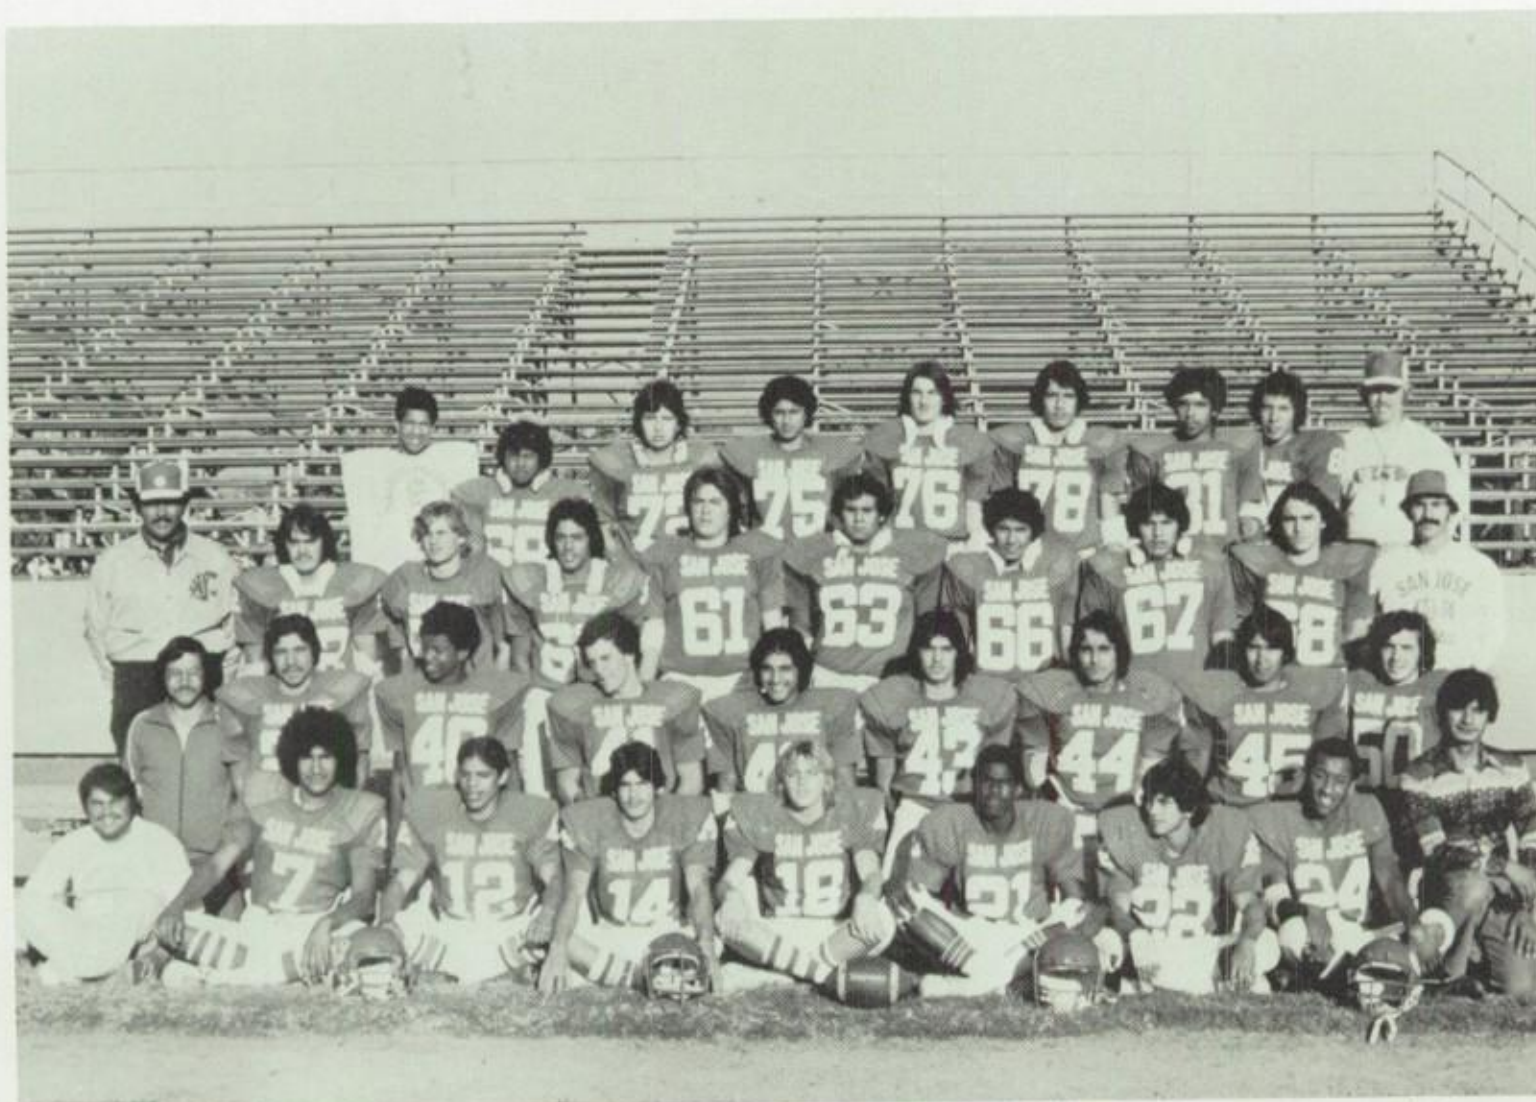

Every year is new and different — We'll Be Back!!

VARSITY WRESTLING

This past season was a building year for the San Jose High wrestling season. The season held some bright spots as well as some disappointments. One of the bright was the teams' efforts in placing third this year at the Santa Clara Invitational Wrestling Tournament. The wrestling team finished with a 3-3-1 league record this year, placing fourth over-all. John Garcia, with an outstanding effort, was the only wrestler to reach the CCS Section Wrestling Finals. The team is looking forward to the future. All but three wrestlers will be returning to next year's varsity squad with John Garcia, Steve Esquibel, and Scrappy Balderas leading the way for the returning wrestlers.

This year's Varsity Basketball team did not reach the level expected of them but did reach one goal. They never quit or gave up in any game they played this year. We were a small and inexperienced team that played with a lot of enthusiasm and a lot of "desire." Our 6-8 league record or our 10-13 overall record doesn't indicate how close most of our games were. We lost 5 league games by a total of 11 points.

Although our season did not pan out as expected, we did have some highlights. We upset Seaside High School early in the season and Carl Powell was selected as M.V.P. at James Lick Tournament. We also received solid play from Darryl Mukai, David Harper, and Ron Waynes. Some of our younger players, Fred Jackson, Roland Flores, Kevin Akizuki, and James Peredia played well and makes play for the 78-79 season look very bright. Ray McCasland, Rudy Rios, and George Tani deserve recognition as demonstrating a real positive attitude. Without players such as these, no team could exist.

Carl Powell was this year's Co-M.V.P. as selected by the STAL. Carl averaged 23.4 pts. a game as well as 15 rebounds per game. Carl is a great athlete, a credit to San Jose High, and has a great future in college Basketball. Also mentioned on the All-League team were Fred Jackson, and Ron Waynes.

First Team All League selections were Marty Medina and Clara Cruz. Second Team All League selections were Cindy Gomez, Karen Fratini, and Debbie Mukai. SOCCER

The Varsity soccer team began the year with great hope and high expectations. The Varsity team was blessed with considerable talent, however, they were not as experienced on the field as the other teams in the league. But they developed field sense towards the end of the season to the point that several opponents said: "You guys have really improved."

Next year's team should be a stronger, more experienced team and Coach Rochin is looking forward to next year with high hopes for the team to be contenders.

This year's Varsity soccer season record was 1-10-3.

The Jayvee soccer team was not very successful but was fighting in every game; they never gave up. Ably coached by Tim Loughran, the Jayvee team worked hard on skills and team play. A lot of improvement was noticeable as the season progressed. All of the team enjoyed the experience, the first organized soccer team for many of them.

With much spirit and potential, the players made their season a very successful one.

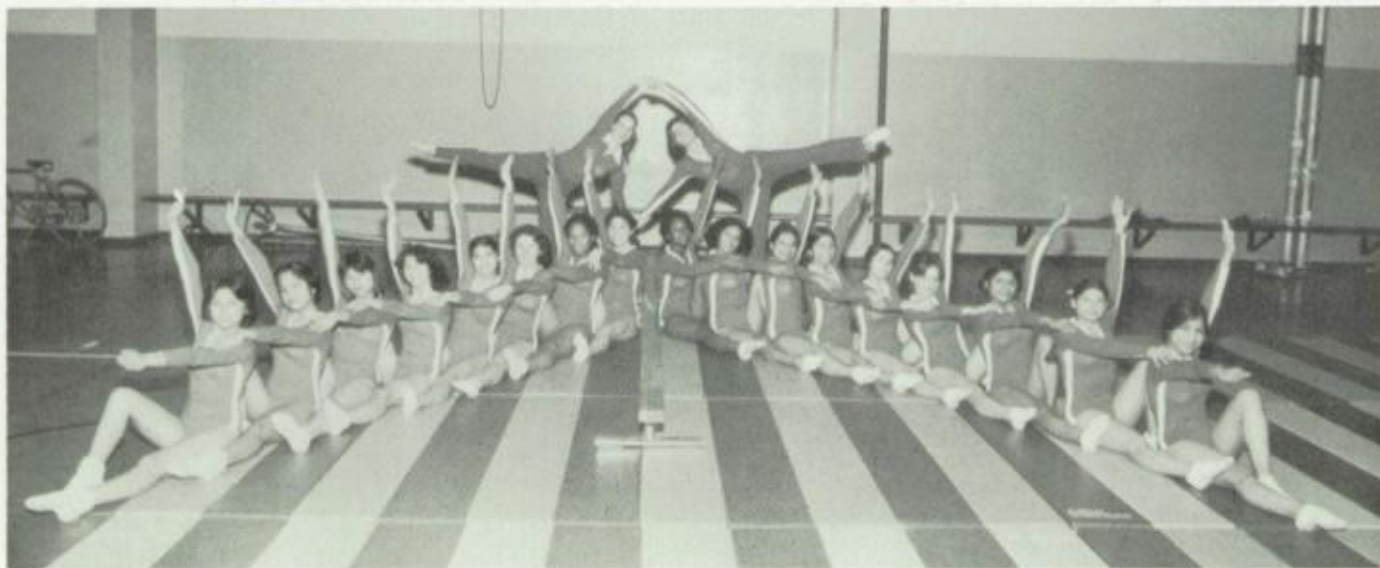

GYMNASTICS

With only six returning gymnasts this year, the Bulldog gymnastics team concentrated on building a solid foundation for years to come. The strength and experience of the veteran gymnasts proved to balance the young, but talented beginners.

Back Row — Greg Landi, Ray McCastland, Diego Medina, Jess Lices, Art Loredo. Middle Row — Fielepe Zabalza, Steve Perea, Manuel Espinoza, Robert Bettencourt. Front Row — David Harper, Bob Mello, Adam Carranza, Steve Leglu, Coach — Dawson.

"We are very strong defensively," Coach Dawson was overheard to have said at the beginning of the year, but he was quick to add "our pitching is young and questionable, so what we need is a bat attack."

As the season progressed certain bulldogs turned out to be the key ingredient towards the completion of a successful year. Among these were: Bob Mello, Art Loredo, Adam Carranza, Steve Perea, Jess Lices, Greg Landi, Manuel Espinoza, Steve Leglu, Robert Bettencourt, Jhon Garcia, Diego Medina, Felipe Zabalza and Ray McCastland. Leading the "bat attack" for the Bulldogs were Adam Carranza and Bob Mello, but it took the combined effort of the members of the team to develop the winning attitude that prevailed all the season here at S.J. High.

A CHRISTMAS DANCE

This year the Jr. class sponsored it's very first Disco Christmas Dance. Many people boogied down to the sounds of their favorite artists. People gathered around to watch, as partners began to show their style of dancing in the dance contests. Later the court was announced. The big event of the evening was the arrival of the one and only Santa Claus himself.

Life

at San Jose High can sometimes be confusing . . . Who was there really to talk and relate to? Did it really make any difference to anyone but ourself? In the peak of frustration, when all else failed, as success seemed too far to reach, as the dreams of luxurious cars and a house up on the hill were no longer worth dreaming for, we bow our heads to a pile of unfinished work and ask the world "Who am I? Where will I really end up?"

Where will we end up? Creative, ambitious minds set out to achieve whatever possible. Let us not lose sight of the prosperous future which we struggle for every day. May we have the strength to lift our heads in pride and continue to fight our way through problems we face.

A Smile — worth a million and
doesn't cost a cent.

You are child of the
universe, no less than
the trees and the stars.
You have a right to be
here!

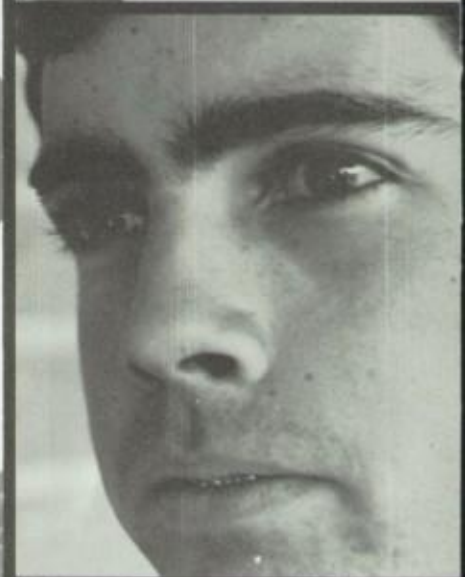

Be Yourself. Who else is
better qualified?

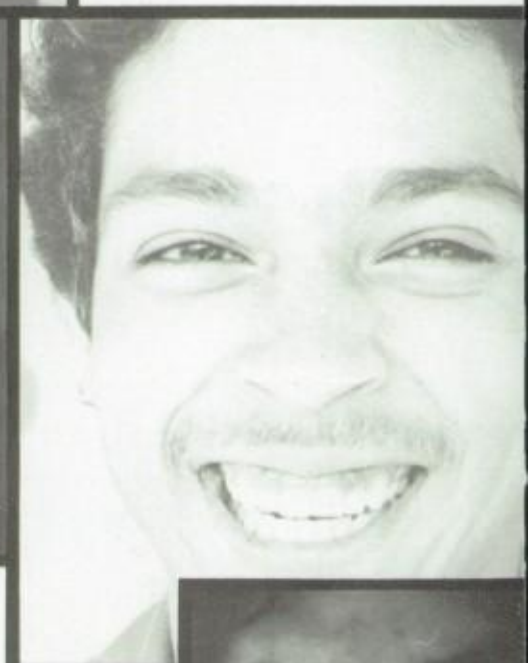

Those who bring sun-
shine to the lives of oth-
ers cannot keep it from
themselves.

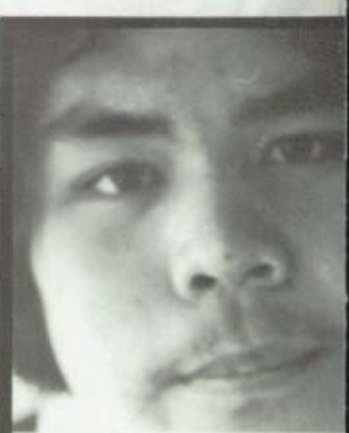

There is nothing more silly than a silly laugh.

Life is like a peanut
Once the shell is opened
it's beautiful.

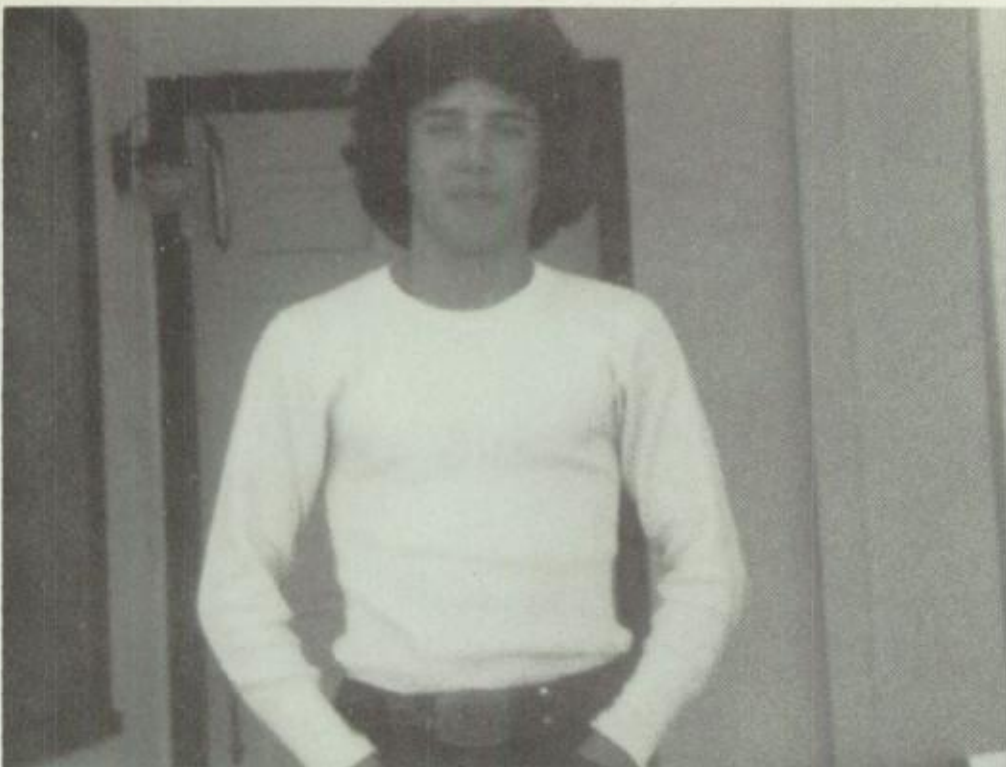

Give us a sense of
humor so that we may
add something to the joy
and laughter of tomor-
row and nothing to its
gloom and bitterness.

FREE to Survive
FREE to Live.

IN MEMORY

*Out of the night that covers me,
Black as the Pit from Pole to Pole,
I thank whatever gods may be
For my unconquerable soul.*

*In the fell clutch of circumstance
I have not yet winced nor cried aloud.
Under the bludgeonings of chance*

*Beyond this place of wrath and tears
Looms but the honor of the shade.
And yet the menace of the years
Finds, and shall find me, unafraid.*

*It matters not how strait the gate,
How charged with punishment the scroll.
I am the master of my fate;
I am the captain of my soul.*

*We the students of San Jose High say farewell to
Frank Gomez and Calvin Martinez.*

The San Jose High Bulldog Marching Band and Colorguard had a terrific season. Mr. Briden, along with many other people, was very proud of the Band and Colorguard as they represented our school in various events. The First Big Event of the season was the Modesto Band Review which took place on Oct. 8, 1977. Although the Band and Colorguard didn't win an award it proved to be a good experience. Besides providing half time entertainment at many of our football games, they also represented San Jose High as they participated in CAL BAND DAY at the U.C. of Berkeley. The last event of the season was a Victorious one. The Bulldog Marching Band and Colorguard marched in the Santa Clara County Parade on November 24th and took First place, while competing against many other bands.

AND WHAT DO WE REMEMBER?

We looked back and remembered the happy times, feeling the rewards of hard work and dedication. At other times we felt all alone, isolated in the midst of a crowd. Our existence was one of constant new beginnings and continuous endings that filled our lives and our memories. It was our year, molded by the vast and diverse character of who we were and had become.

If You Choose the Marines, Maybe You'll Choose Electronics, Too.

The Marine Corps believes that every young man wants to point himself in the right direction — toward the kind of work that will suit him best, the kind of skills that will stick with him for life.

So if you've got what it takes to be a Marine, and you can qualify for our new option programs, we'll let you choose the right direction. If it's electronics, you'll be on your way as soon as you complete recruit training.

There's also computer programming, combat arms, aircraft maintenance, radio communications . . . and many other directions you can go. Come in and look over the list. You tell us what you're interested in. We'll tell you if we can get you there.

A friend? A person with to be yourself. whom you dare

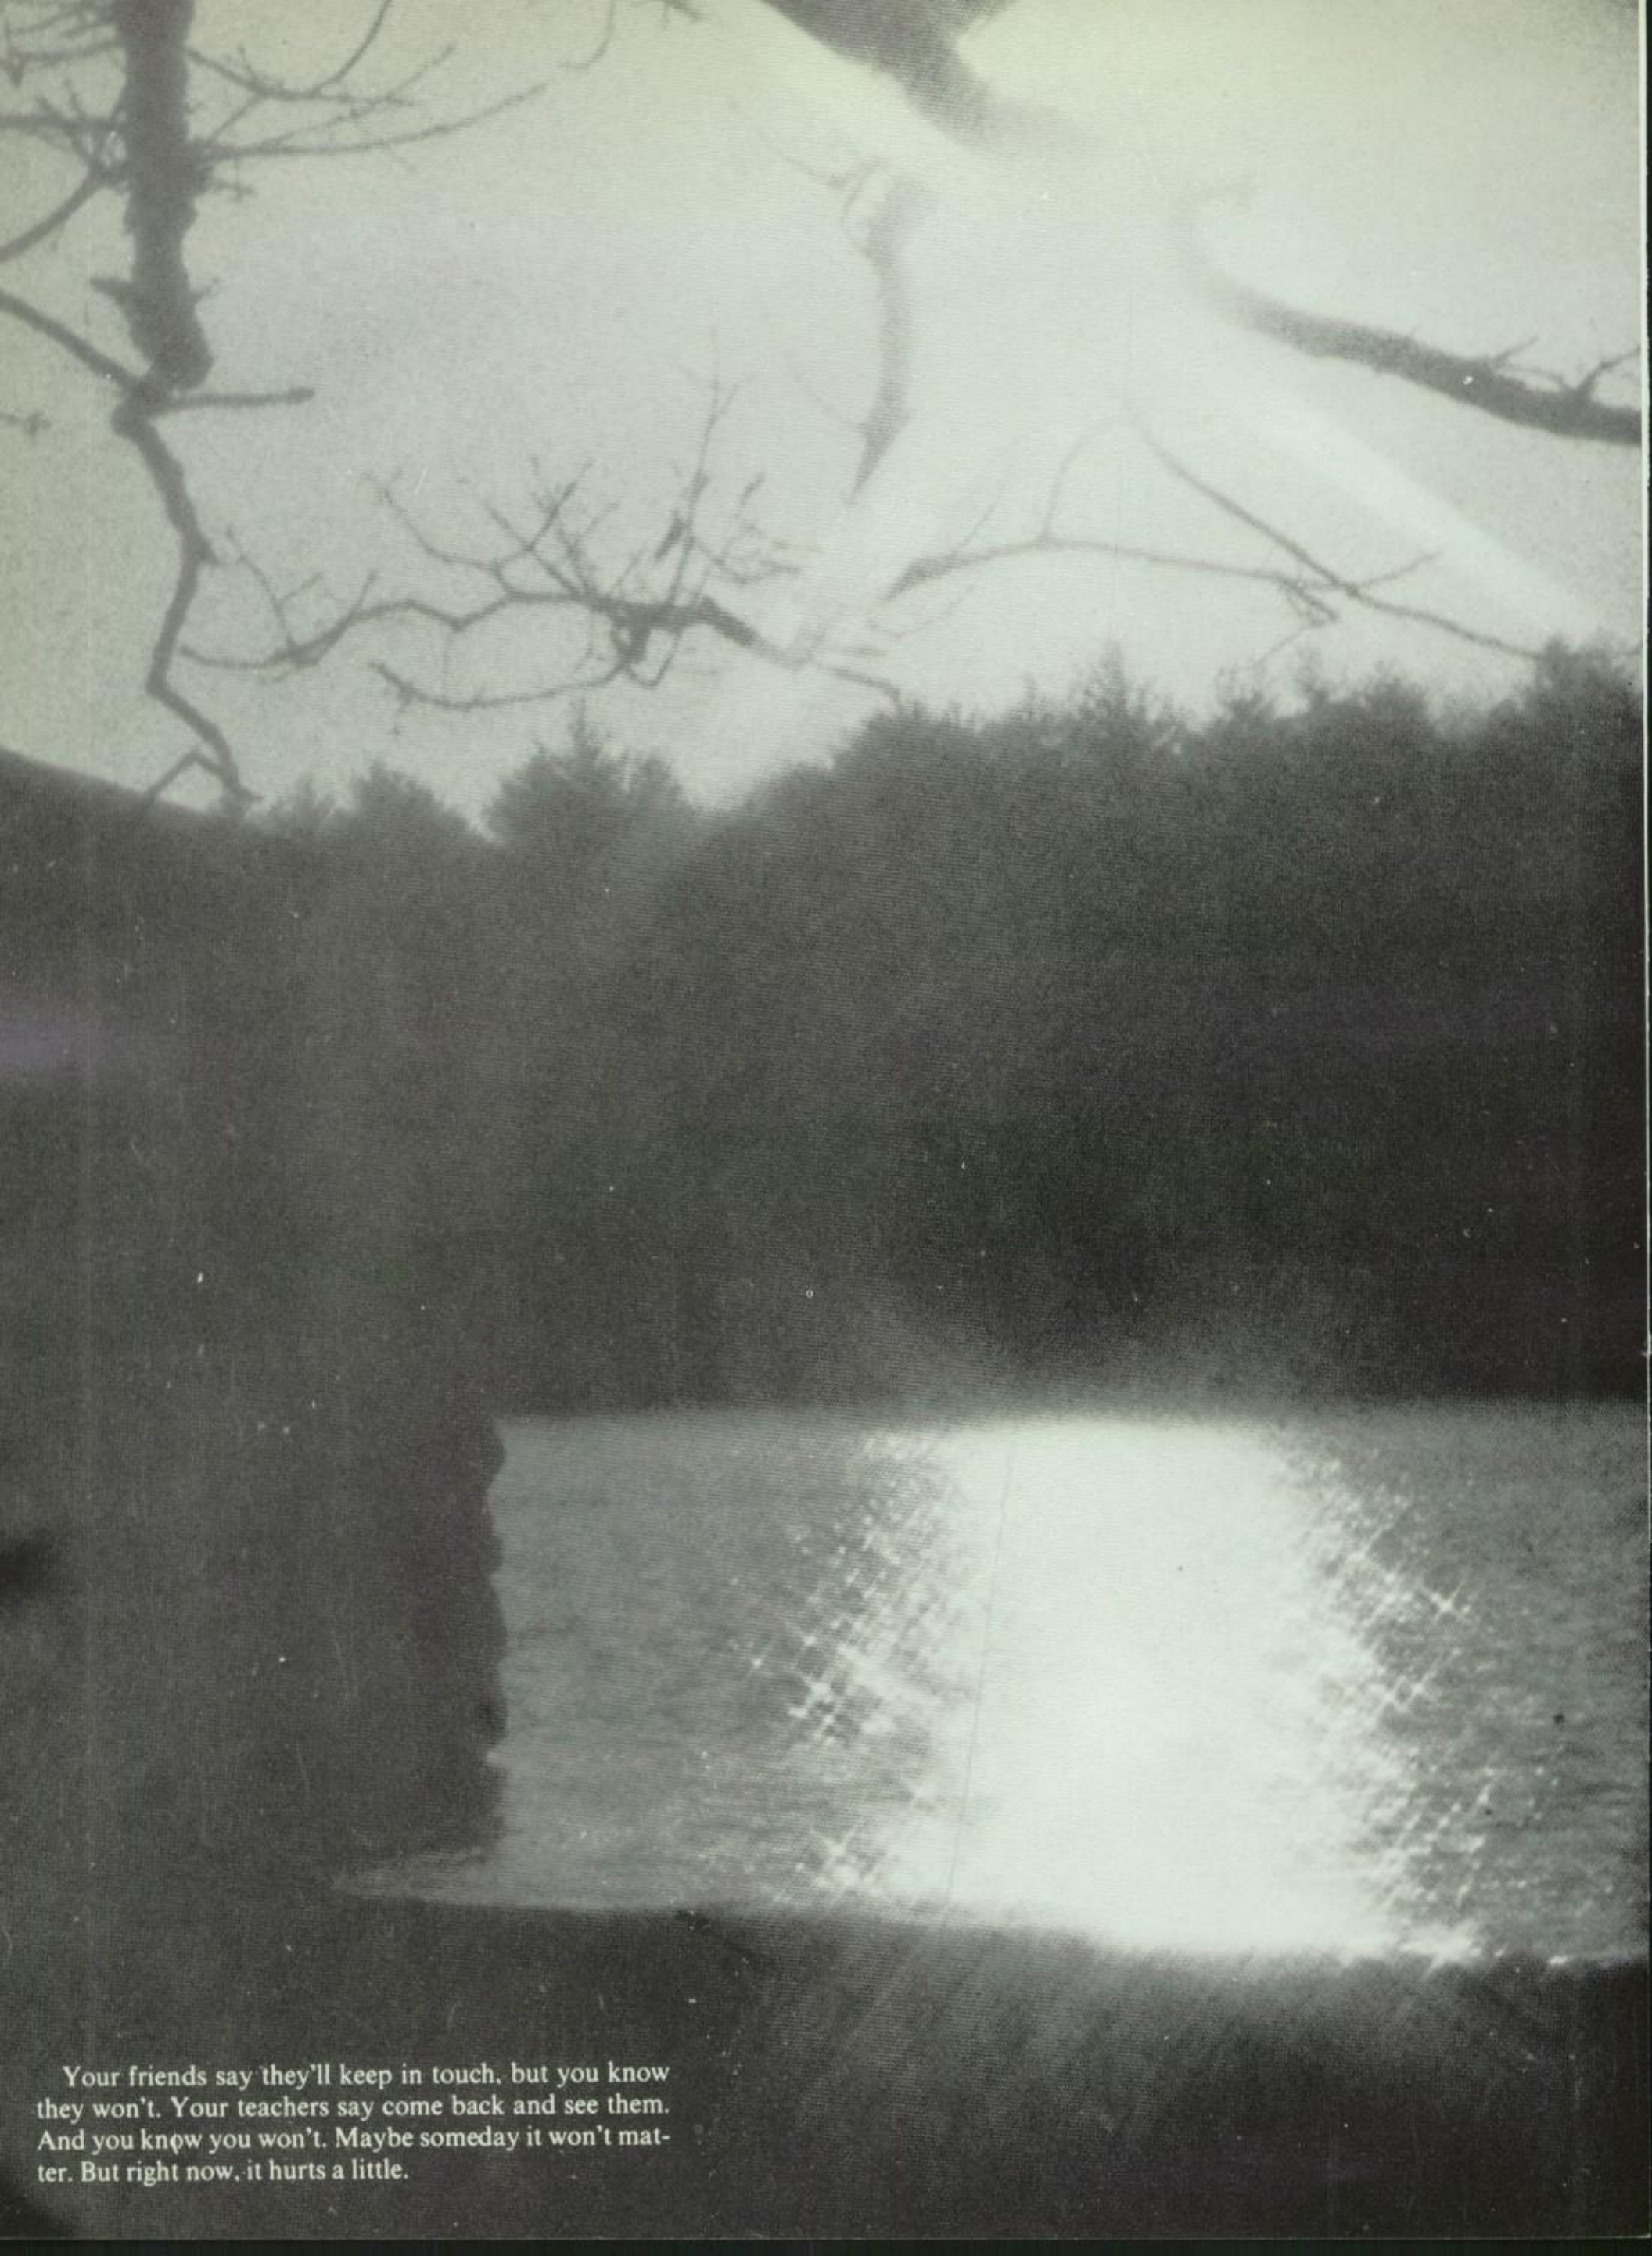

To teach is to give, to learn is to receive.
